Please note a misprint in line 5, which should read: "Charterers should now appoint their arbitrator within 14 days ..."
Sorry about that!

Reference is made to previous exchanges re Owners' demurrage claim.

As It is very clear that the parties have fundamental differences of opinion on the issues discussed and it seems sensible to seek the guidance of independent arbitrators to conclusively clarify these for the future.

Owners have therefore now appointed Mr. Robert Shaw as their arbitrator, and I would kindly ask you to inform Charterers accordingly and confirm when this has been done.

Charterers should not appoint their arbitrator within 14 days, failing which Owners will apply to the Court to have an arbitrator appointed in their place.

Charterers should also be advised that Owners will add interest for late payment and reimbursement of legal fees and costs to their claim for demurrage.

Thank you in advance.

Kind regards,

Bengt E. Nergaard
